WORK EXPERIENCE

Graphics Designer

Present Good Old Delight LLP / Turbhe

I am currently working as a Graphic Designer at a GOD, where I handle various responsibilities including creating monthly creatives for clients' social media handles, updating brochures, hoardings, and standees, lead generation activities, as well as designing advertisements of various sizes, among other tasks. I have been working in this position for the past 7 months

Full Stack Content Creator and A Maths Teacher

2022 - 2023 PCM Tutorial / Dombivali

I worked at PCM Tutorials as a full-stack designer and video editor for their YouTube channel, 'pcmtutorialsonline.' During my time at PCM Tutorials, I had a 12-hour shift. For the first 6 hours, I taught students of 8th, 9th, and 10th CBSE classes. After completing my teaching responsibilities, I dedicated the remaining 6 hours to my design work.
